The Board addressed the issue of the audit for fiscal year ending September 30, 2021. The State has advised that we are not in compliance and have until December 19, 2022 to provide the audit or we could go before a review board. The new Audit company Grau and Associates does not do all the adjusting entries and accounting preparation that Amy Swindle did for us. Amy Swindle will give us a quote for prepping for the audit for fiscal year 2021 and future audits.

The Board approved an amended budget for the fiscal year ending September 30, 2022.

There being no further business, upon motion made and carried, the meeting was adjourned.
